

Fellowship Opportunity in Dental Oncology at Princess Margaret Cancer Center

A new fellowship program in dental oncology is launching at Princess Margaret Cancer Center in Toronto. Dr. Erin Watson, Co-Director and Supervisor of the program, gave Dr. John O’Keefe an overview about the program as well additional details on how to apply to and participate in the program. <https://oasisdiscussions.ca/2019/03/28/fellowship-in-dental-oncology-at-princess-margaret-cancer-center/>

The deadline for CV application has been extended to April 22, 2019.

Details about the fellowship can be found [here](#): Hyperlink to pdf attached to email

For further information, contact Dr. Michael Glogauer or Dr. Erin Watson at pmdentistry@uhn.ca
