

Chief, Department of Dental and Maxillofacial Sciences

Sunnybrook Health Sciences Centre, in Toronto, Canada, a fully affiliated academic Health Sciences facility of the University of Toronto, is inviting applications for its new Chief, Department of Dental and Maxillofacial Sciences. The successful candidate will lead a dynamic, inter-professional team that is continuing to improve the quality of care and the patient and family experience, within a highly academic environment. If this challenge appeals to you, we would like to meet you. The anticipated start date is May 1, 2020, or as mutually agreed upon.

Sunnybrook has an ambitious vision to Invent the Future of Health Care. As a Hospital leader, you will motivate and lead your team to achieve this vision through the implementation of Sunnybrook's Strategic Plan. To learn more about our strategic plan, please visit: <https://sunnybrook.ca/content/?page=strategic-plan-2018-21>

The successful candidate will be a transformational leader with outstanding interpersonal skills. The Department of Dental and Maxillofacial Sciences has 10 full time active staff members, all with faculty appointment at the University of Toronto and five part time staff members. The Department provides comprehensive maxillofacial and dental services to hospital inpatients and a large medically compromised outpatient population, who require hospital-based expertise for the delivery of safe care. Areas of clinical strength include oral and maxillofacial surgery, oral and maxillofacial medicine and pathology, maxillofacial prosthetics and dental care for medically complex patients, including outpatient deep sedation/anesthesia for patients with special needs and geriatric dental care.

As a premier Academic Health Sciences Centre, Sunnybrook is committed to high quality inter-professional education and is the home of one of the University's four Academies for undergraduate medical education in addition to providing postgraduate and fellowship training in virtually all disciplines. To learn more, please visit <https://sunnybrook.ca/education/>

Sunnybrook Research Institute (SRI) is one of the fastest growing Canadian research enterprises with internationally acclaimed programs in basic and applied research, conducting \$100 million in research each year, developing innovations in care for more than one million patients annually, and passionately provides rewarding educational and research experiences for more than 4,000 trainees each year. For more information about SRI, please visit www.sunnybrook.ca/research

Candidates must hold a DDS/DMD degree and either hold or be eligible for a general or specialist's certificate of registration with the Royal College of Dental Surgeons of Ontario. The successful candidate will be eligible to hold an academic appointment at the rank of Assistant, Associate or Full Professor, or its equivalent in the Teaching Stream, in the Faculty of Dentistry, University of Toronto. The successful candidate will have the vision to advance integration with the Sunnybrook strategic directions; commitment to forging partnerships with the many communities we serve to support the development of integrated delivery systems; experience working in diverse populations; values inclusiveness, equity and diversity; strong leadership capabilities, the ability to mentor trainees and faculty at all stages of their careers; as well as a record of peer-reviewed research, of leadership in undergraduate, postgraduate, continuing medical education or patient education; and/or leadership in model service delivery as a creative professional academic activity.

Applications will be accepted until February 29, 2020, or until the position is filled. To explore this exciting opportunity further, interested applicants may direct enquiries and submit their letter of interest, CV and the names of three referees in confidence to the address shown below.

Mr. Rags Davloor, Chair, Search Committee

c/o Ms. Rajni Sandhu, Office of Medical Professional Practice, Sunnybrook Health Sciences Centre, 2075 Bayview Avenue, Room DG29, Toronto, Ontario, M4N 3M5 Canada. Email: rajni.sandhu@sunnybrook.ca

Sunnybrook Health Science Centre and the University of Toronto is strongly committed to diversity within its community and especially welcomes applications from racialized persons/persons of colour, women, indigenous/Aboriginal People of North America, persons with disabilities, LGBTQ persons, and others who may contribute to the further diversification of ideas. All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority.
